## Pay it Forward Program

As a customer driven company, we appreciate your business and our way to say thank you is to **Pay it Forward**.

The Pay it Forward Program is designed to recognize our customers while also giving back to the community.

## Here's how it works

At the end of *each quarter*, three different customers who spend the *largest amount* with BRS on a *single order* in each category will win!

BRS will notify the **3 winners** to select the Charity of their choice.

The first place winner will be the company who spends the highest dollar amount on a single order. The second and third place winners will be based on the same criteria.

**1<sup>st</sup> Place: \$150.00 - 2<sup>nd</sup> Place: \$100.00 - 3<sup>rd</sup> Place: \$50.00**

Once the charity is selected your winnings will be donated in your company's name and you will be featured in our quarterly newsletter.

### The Three Categories are as follows:

- **Custom Printed Products**
  - Includes all purchases of label products, tags, and printed items.
- **Equipment**
  - Includes all equipment purchased from BRS (i.e. Scanners, Mobile Computers, Barcode Printers, Auto Applicators).
- **New Customers**
  - You can play too, while competing against fellow new customers. Simply make the largest purchase with BRS and Win!

### Program Rules:

1. Each category will have a different winner.
2. Each company can win one time per year.
3. All donations must be made to a reputable organization approved by BRS.
4. If a winner doesn't wish to select a Charity, BRS will directly donate your winnings to one of the following BRS supported charities: [Nashville's Second Harvest Food Bank](#) or [Habitat for Humanity](#).
